President's Message: Watch videos, it's important to move for the best angle for making calls, even when you are behind the play

Secretary: Minutes approved

Treasurer: Report approved. Dues are due January 15th for next season. Any payments after February 15th will be subject to fines of \$5/month that they are late. Anyone not paid by April 15th will not appear on the roster and will be assessed an additional fine for reinstating their listing on the roster for next season.

MSBOA will calculate the dues owed going forward after the most recent incident with the Secretary-Treasurer

Committees:

Sportsmanship: Max will be stepping back and Jen Peterson and Steve DiPaulo will be heading up the committee

Banquet: The committee will be deciding on a date for this year's banquet

MSBOA: Kevin Sareault will be attending the next meeting. Topics to be discussed include the tournament format, seeding, and regional play.

Interpreter: Steve presented information on back court violations inbound spot, double violation during FT administration, not blowing whistles excessively (especially on each inbound play), adding or subtracting time on the clock or shot clock must have direct knowledge, no use of shot clock if both clocks aren't working properly (keep it at the table on another timing device such as a phone and verbally indicate time left), positioning for FT and time outs, use consistent and proper mechanics individually and as a crew.

Respectfully,

Mary K. Bradbury

Secretary
