Dave also addressed the Refresher Test returns (or missing returns) and announced that the list of those who did not submit their exams would be delivered to the vice president for followup.

Next, the MIAA has announced the adjustments due to Covid and the discrepancies from the MIAA adjustments and specific league actions to comply with government guidelines.

Good of the Order

Assignor Scott Alexander relayed his current experiences with school schedules and plans for the upcoming season. There WILL be adjustments to the officiating process, but those members who plan upon officiating will be assigned games. There are NO FRESHMAN schedules as yet. He requested that all officials be flexible with their availability. He can be reached at 508.441.1500 and text are usually immediately responded to.

President reminded the members that the E-whistle has different versions and the mini is not as strong as the 3-tone. Members should be prepared to accommodate any unexpected situations during the course of the game.

Anyone who has contacted the assignors and have NOT been contacted in return should contact Dave for followup.

Bill Boutilier (MSBOA Interpreter) will address the members during the 12/21 meeting.

Any members interested in re-assigning themselves to ANO (Active non-officiating) should contact the secretary.
