

### 2014-15 IAABO Crew of 2 Manual Examination

- Yes No 1. A 20-second interval of time allows for bench personnel to be standing?
- Yes No 2. Should an unusual situation occur that requires discussion, both head coaches should be invited to be present?
- Yes No 3. Prior to the start of the 2<sup>nd</sup>, 3<sup>rd</sup> & 4<sup>th</sup> quarters, the official shall sound the whistle, state the color of the throw-in team's jersey, signal the direction of play and designated the throw-in spot?
- Yes No 4. The A, B, C endline coverage concept applies to Crew of 2 officiating?
- Yes No 5. A team control foul committed within the free throw semi-circle requires that the throw-in be at the sideline?
- Yes No 6. Upon a disqualification, the official shall first inform the player and then inform the head coach?
- Yes No 7. At the site of a foul, after stopping the clock with arm raised and closed fist, the official shall state the team's jersey color, the number of the player who committed the foul, signal the type of foul, the number of the free thrower and the number of free throws or indicate the throw-in spot?
- Yes No 8. Indicating the throw-in spot and designating the throw-in spot have the same meaning?
- Yes No 9. When a team control foul is committed, the first signal after stopping the clock is the team control signal?
- Yes No 10. When reporting a team control foul to the scorer, the only signal involved is the team control signal?
- Yes No 11. When granting a time-out, the signal is thrusting an arm, with a one finger point toward the bench of the team charged with the time-out?
- Yes No 12. The Lead official's PCA includes the free throw semi-circle?
- Yes No 13. Upon hearing the time-out first horn warning the official shall move toward the team huddle, stop, announce and signal "first horn", then proceed to the huddle and encourage the team to break-up the huddle?
- Yes No 14. The signal for a blocking foul is the placing of a fist on each hip or hitting the hips multiple times?
- Yes No 15. During a frontcourt sideline throw-in, above the free throw line extended, the Lead official may take a position on the same side of the basketline as the Trail official?
- Yes No 16. When signaling a foul for pushing, the procedure is to raise one arm with closed fist and signal push with the other arm and hand?
- Yes No 17. An official shall not make rulings beyond his/her PCA?
- Yes No 18. Upon reporting a foul, time-out, disqualification, etc, the official shall be positioned within the reporting area?
- Yes No 19. A team warning for delay needs to be reported to only the scorer?
- Yes No 20. All foul and violation rulings require that the official first sounds the whistle and signals to stop the clock?
- Yes No 21. The Trail official's position during the administration of a free throw is at the sideline at the end of the free throw line extended?
- Yes No 22. Following an indirect technical foul the head coach must be informed the loss of the coaching box privilege?
- Yes No 23. Upon ruling a player control foul, the official simultaneously raises an arm with a closed fist and places a hand behind his/her head?
- Yes No 24. There are, by rule four (4) possible warning areas, officials may issue additional warnings?
- Yes No 25. Upon awarding the ball during a throw-in, the official may hand, bounce or toss the ball to the thrower?
